

Enchanted Home Pet bed giveaway #amazingpetexpo

by PRESTONSPEAKS on JANUARY 17, 2013

Bay Area Pet Expo was amazing this past weekend! I had so much fun meeting old and new pals! I also gave away an awesome pet bed from Enchanted Home Pets. The winner was Heidi C. Heidi, watch your inbox for an e-mail from me with all the details.

As for my other pals, don't be sad. I know not everyone could make it to our booth - so I decided my online friends need a chance to win the bed as well. I talked to my pals at Enchanted Home Pets and they

agreed. So guess what, we are **giving away ANOTHER Zebra Elliot Chaise**. Since I got to lay on one of these beds all day at the expo, I can say from personal experience that the bed is super comfortable for a dog! And ... I guess it would be just as comfortable for a cat as well!

How to win!

How: Like Enchanted Home Pet on Facebook!

Prize: One lucky reader will win their very own Zebra Elliot Chaise bed (\$189 value!)

Dates: January 17 - 31st

How To Enter: Follow the instructions on Rafflecopter to be officially entered.

That is such a cute bed. Buddy would L-O-V-E it! And we'd all try to steal it from him.
